DDI Developers Community

IASSIST 2014
Johan Fihn (SND) and Marcel Hebing (DIW)
What we do

- “Informal working group” of the DDI Alliance
- 2-3 meetings each year

- Find the latest work others in the field are doing
- Learn about upcoming changes to the DDI standard
- Increase interoperability among our applications
- Get feedback and advice regarding tool implementation
- Exchange experiences and come up with new development ideas
Google Group
