York University Libraries seeks two detail-oriented archivists to work on a part-time basis with the Clara Thomas Archives and Special Collections. This department acquires, preserves, and provides access to archival documents and rare books with enduring value to support research and learning by the university’s faculty, students, a community of international scholars, and the public. We are strong in the areas of Canadian history and literature, fine arts (design, music, film, and theatre), philosophy, environmental history, and sexual diversity.

Specific Duties:
Reporting to the Head of the Clara Thomas Archives and Special Collections, the successful candidate will:
- Review gifts-in-kind to identify records that possess enduring value and make recommendations regarding the disposition of other material
- Make recommendations for the arrangement of archival records at the fonds, series, and file levels
- Rehouse these records using archival supplies
- Describe archival records and create name authority files using AtoM software
- Perform other duties as assigned

Qualifications:
- Master’s in archival studies from a graduate program conforming to the Association of Canadian Archivists’ Guidelines for the Development of a Two-Year Curriculum for a Master’s of Archival Studies or MLS (or equivalent) with concentration in archival education
- Previous experience in an established archives, preferably in an academic setting
- Demonstrated experience in processing and describing archival records within an automated work environment, including a strong working knowledge of the Rules for Archival Description. Previous experience working with AtoM is an asset.
- An understanding of copyright and privacy legislation as they relate to archival records
• Excellent organizational, analytical, and oral and written communication skills
• Demonstrated ability to maintain effective working relationships with colleagues and donors
• Ability to undertake physical processing and handling of records
• Demonstrated effective time management skills.
