Specific Duties:
Reporting to the Chief Law Librarian, the incumbent will
- Oversee and review cataloguing activities for library resources in all formats, provide interpretation and application of RDA cataloguing rules; perform original cataloguing of library materials in a variety of formats.
- Oversee and support material processing activities.
- Monitor acquisition activities by assisting with selection of new print and electronic resources using Gobi.
- Troubleshoot electronic resource access issues and coordinate activity in the library system platform as required.
- Support the operation of Osgoode Digital Commons by coordinating and implementing digitization projects, ensuring copyright permissions are secured, and editing/updated/analysis of metadata and content.
- Set up and maintain various library systems and databases including contacting vendor support as necessary; provide troubleshooting and liaise with Osgoode IT or YUL Computing to resolve system issues; provide staff training as necessary.
- Update departmental manuals and provide departmental statistical data/reports.
- Liaise with other departments and individuals at Osgoode and York University, and vendors/service providers as required.

Qualifications:
- Master’s degree in library/information science from an ALA-accredited school (at least three years since graduation)
- Supervisory and management experience in libraries, specifically academic law libraries and excellent interpersonal and communication skills.
- Expertise in use of MARC formats, LC Classification and LC Subject Headings; knowledge of KF Modified Classification an asset.
- Expertise in use of MarcEdit for batch editing of catalogue record sets and analysis of MARC records.
- Experience in the use of AACR2 and RDA for cataloguing resources in all formats.
- Familiarity with various library system platforms (e.g. Alma) and software tools used in cataloguing (e.g. ClassWeb, NACO, etc.).
- Knowledge of emerging trends in library and information technologies.
- Knowledge of open access, scholarly communication and digital library initiatives including use of institutional repository software such as Digital Commons.
• Knowledge of legal databases such as Westlaw Edge Canada, Lexis+ and other law-specific research databases.
• Excellent oral and written communication skills.
• Strong interpersonal skills that demonstrate an ability to work independently, collaboratively, and as part of a team.
• Ability to adapt to a changing information environment, balance multiple responsibilities, and possess good planning and time-management skills.
• Proficiency in Microsoft Office (Word, Excel, PowerPoint); familiarity with webpage creation and editing.
• Ability to read French is an asset.
